

ALL INDIA GENERAL STUDIES PRELIMS TEST SERIES 2022

Program Objective: This is a comprehensive and intensive 'interactive' program focusing on sincere IAS Aspirants who will appear in Civil Service Exam 2022. Our experts provide step by step guidance to aspirants for understanding the concepts of General Studies and preparing them for scoring good marks.

HOW IT WORKS: The tests are planned at three different levels of preparation required for a student to succeed in CSE - Prelims.

1. Fundamental level -: Each test will be based entirely on the most fundamental sources (only 2/3 books) of that particular section. Here we will test whether you have thoroughly prepared these fundamental sources or not and if you have understood all the basic concepts or not.

2. Applied level -: In this level, we will test your subject knowledge at an applied level. Test would be more analytical in nature, application oriented with relevance to current affairs. These tests would not be restricted to few particular sources and it would cover the entire primary, secondary and other sources.

3. Comprehensive level -: These are Full Length Test (FLT) covering all the levels of difficulties and all the types of questions similar to the UPSC prelims paper. These tests will validate that your preparation is complete and you have achieved that extra edge to succeed in CSE - Prelims.

Current Affairs (includes all issues covered in the standard newspapers like The Hindu, Indian Express, Manoramayearbook etc, magazines like Yojana, Kurukshetra, etc and government links like PIB and ministries official websites)
